Dear Colleague

REBATE ARRANGEMENT FOR THE 2026 CALENDAR YEAR

Thank you for your continued business. We are pleased to confirm the rebate for the period 1 January 2026 to 31 December 2026.

1. We will credit 1.75 per cent of your net invoiced spend on electrical products in the period, on the amount by which that spend exceeds GBP 400,000.
2. The rebate is calculated on invoices dated in the period, net of returns and credits, and excluding carriage and value added tax.
3. The credit note will be issued by 28 February 2027.
4. This letter sets the rebate for the 2026 calendar year only. It does not vary the prices, the payment term, the carriage arrangement or any other trading term, and it does not commit either of us beyond 31 December 2026.
5. This arrangement is personal to the addressee and may not be assigned.

Yours sincerely
