

JOINT SITE DELIVERY ARRANGEMENT - KELLERBY INTERCHANGE

Dated 20 April 2026

PARTIES

- (1) Halbrook Electrical Distribution Ltd of Halbrook House, Marmion Way, Ellersby EL4 7QN ("the Distributor");
- (2) Sturmore Rail Group Ltd of Sturmore House, Calder Rise, Northgate Bridge NB2 5HF ("SRG"); and
- (3) The Housing Partnership (Trentmoor) Limited of Trentmoor Civic Offices, Larkhall Road, Cawdale CW3 2RN ("THP").

BACKGROUND

- (A) SRG and THP are jointly procuring the electrical works at the Kellerby Interchange development, where SRG is refurbishing the station platforms and THP is building 96 dwellings above them.
- (B) Each of SRG and THP has its own agreement with the Distributor: SRG under the Master Supply Agreement dated 22 February 2021 (reference SRG/PROC/2021/114) and THP under the Master Supply Agreement dated 5 September 2023 (reference THP/2023/ELEC-11).
- (C) The parties wish to consolidate deliveries to a single site compound.

AGREED TERMS

1. This arrangement applies only to orders for the Kellerby Interchange site, whether placed by SRG or by THP.
2. The Distributor shall deliver to the Kellerby Interchange site compound free of carriage whatever the value of the order, in place of the carriage terms in each party's own agreement, and shall make one consolidated delivery each weekday morning.
3. Each of SRG and THP remains responsible for paying for the goods it orders, on the payment terms of its own agreement with the Distributor. Neither is liable for the other's orders.
4. Prices remain those under each party's own agreement. This arrangement sets no prices and creates no volume commitment.
5. This arrangement starts on 20 April 2026 and ends on practical completion of the Kellerby Interchange works, which is programmed for 30 June 2027.
6. Save as set out above, the Master Supply Agreement dated 22 February 2021 and the Master Supply Agreement dated 5 September 2023 continue unchanged and each governs the trade of its own party.
7. This arrangement is governed by the law of England and Wales.
